BREDA UNIVERSITY OF APPLIED SCIENCES

BACHELOR'S AND MASTER'S PROGRAMMES AT PROFESSIONAL AND ACADEMIC LEVEL

About us

- > Since 1966, formerly known as NHTV Breda
- > International and highly qualified staff
- > Interactive and student-centred teaching style
- > Offering professional and academic bachelor's and master's programmes
- > 7,000 students from over 80 countries
- > Almost 37,000 graduates, working around the globe for big names in their field of expertise
- > Only 100 km from both Amsterdam and Brussels
- > Green and modern campus near the safe and pleasant city centre of Breda

Why choose us?

- > We are a government-funded institute, which means that **our tuition fees are comparatively favorable**. We offer scholarships for both bachelor's and master's programmes.
- > We are **internationally acknowledged** by among others the UN World Tourism Organization, the World Leisure Organization and the International Facility Management Association. We have an ECA certificate for Quality in Programme Internationalisation.
- > In our **large international network**, we cooperate with universities and companies which are at the top of their field. You can get (work) placement positions at businesses such as Samsung, Disney, Google, KLM and Hilton.
- > We are an **inclusive and small-scale community**. Lecturers know you by name and are easily accessible for consultation or advice.
- > We score **top-rated and No. 1** in national and international rankings. In the Shanghai Global Ranking, BUas ranks first place in Hospitality and Tourism Management in the Netherlands and is among the top 75 worldwide. In the QS World University Rankings, BUas takes place 27 in Hospitality & Leisure Management worldwide.

Practical Information

Grants and scholarships

BUas offers several scholarships. Go to BUas.nl/scholarships for more information.

Tuition fee

BUas is a government-funded institute. Bachelor's students from the EEA (or of Surinamese or Swiss nationality) pay the statutory fee of €2,601 (2025-2026). A higher statutory tuition fee of €3,250 applies to Creative Business, Data Science & AI, and Games because of extra facilities and equipment. A higher amount may also apply to Hotel Management in 2025-2026. Please check BUas.nl/en/tuition-fees for actual information.
